Name:

Competencies			Cert.	Check date	Initials
	Safely bringing gear to shore	1	I		
	Stepping the mast	2	Ш		
	Assembling stays	3	II		
	Hoisting jib, securing halyard	4	II		
ō	Hoisting main, (trucker's hitch)	5	II		
Rigging	Boom + Vang	6	Ш		
٦	Outhaul + Downhaul	7	II		
_	Rudder	8	II		
	Bungs	9	ı		
	Sheets	10	Ш		
	Use of correct language during all demonstrations	11	II		
	Final Check	12	II		
	Safe disassembly	13	ı		
б	Halyards and stays tightly secured to mast	14	II		
De-rigging	Mast safely removed	15	Ш		
rig	Mast correctly stored	16	Ш		
ф	Boat and sails cleaned	17	I		
ш	Boat stored correctly	18	=		
	Owner informed of damages	19	=		
Prep	Personal gear adequate for sailing	20	ı		
<u>~</u>	Weather expectations judged adequately	21	III		
	Bow line	22	ı		
	Figure 8	23	ı		
	Cleat halyard hitch	24	II		
ots	Trucker's hitch	25	III		
Knots	Secure halyard coils	26			
_	Round turn and two half hitches	27	II		
	Alpine butterfly loop	28	III		
	Alpine butterfly bend	29	III		
	Boat faces wind	30			
	Correct trailer handling in water	31	1		
д С	Crew correctly positioned		1		
aunch	Crew correctly positioned Skipper organising crew and boat	32			
Launch	Skipper organising crew and boat	32 33			
Launch	Skipper organising crew and boat Centreboard + rudder partially down	32 33 34	II		
Launch	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach	32 33 34 35			
	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released	32 33 34 35 36			
	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up	32 33 34 35 36 37			
Return Launch	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off	32 33 34 35 36 37 38			
	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley	32 33 34 35 36 37 38 39			
	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes	32 33 34 35 36 37 38 39 40			
	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales	32 33 34 35 36 37 38 39 40 41			
	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out	32 33 34 35 36 37 38 39 40 41 42			
	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps	32 33 34 35 36 37 38 39 40 41 42 43			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus Gybing - see syllabus	32 33 34 35 36 37 38 39 40 41 42 43 44			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus	32 33 34 35 36 37 38 39 40 41 42 43 44 45			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing in race	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing in race Skippering an intermediate boat	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51			
	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing in race Skippering an intermediate boat Roll tacking	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing in race Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing in race Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race Trimming a spinnaker	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing Single handed Vagabond sailing in race Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race Trimming a spinnaker Sailing without rudder	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing Single handed Vagabond sailing in race Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race Trimming a spinnaker Sailing without rudder Minimum of 20 finished races logged as skipper	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race Trimming a spinnaker Sailing without rudder Minimum of 20 finished races logged as skipper Experience in different types of sail boats	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing Single handed Vagabond sailing Single handed Vagabond sailing Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race Trimming a spinnaker Sailing without rudder Minimum of 20 finished races logged as skipper Experience in different types of sail boats min. 8, including min. 3 as skipper	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55 56 57			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing Single handed Vagabond sailing Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race Trimming a spinnaker Sailing without rudder Minimum of 20 finished races logged as skipper Experience in different types of sail boats min. 8, including min. 3 as skipper Following the correct course according to SI	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55 56 57			
General boat handling Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing Single handed Vagabond sailing Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race Trimming a spinnaker Sailing without rudder Minimum of 20 finished races logged as skipper Experience in different types of sail boats min. 8, including min. 3 as skipper Following the correct course according to SI Demonstrating starting sequence	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55 56 57 58 59			
General boat handling Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing Single handed Vagabond sailing Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race Trimming a spinnaker Sailing without rudder Minimum of 20 finished races logged as skipper Experience in different types of sail boats min. 8, including min. 3 as skipper Following the correct course according to SI Demonstrating starting sequence Starting within 10 seconds after start signal	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55 56 57 58 59 60			
General boat handling Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing Single handed Vagabond sailing Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race Trimming a spinnaker Sailing without rudder Minimum of 20 finished races logged as skipper Experience in different types of sail boats min. 8, including min. 3 as skipper Following the correct course according to SI Demonstrating starting sequence Starting within 10 seconds after start signal Passing of basic race rule test	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55 56 57 58 59 60 61			
Return	Skipper organising crew and boat Centreboard + rudder partially down Controlled skippering away from beach Rudder released Centreboard up Controlled turn into wind while crew jumps off Controlled attachment to trolley Control of jib as crew during tacks and gybes Skippering with tiller only and according to jib tell tales Tiller and main handling, including hiking out Tacking - see syllabus for steps Gybing - see syllabus Capsize and controlled recovery - see syllabus Towing Heave to Person over board Single handed Vagabond sailing Single handed Vagabond sailing Single handed Vagabond sailing Skippering an intermediate boat Roll tacking Skippering an intermediate boat in a race Trimming a spinnaker Sailing without rudder Minimum of 20 finished races logged as skipper Experience in different types of sail boats min. 8, including min. 3 as skipper Following the correct course according to SI Demonstrating starting sequence Starting within 10 seconds after start signal	32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55 56 57 58 59 60			

Competency 56: Number of races

nitials
Hillais

Competency 57: Experience in different types of boats
